

OBAYASHI CORPORATION

Regarding the Search Performed by the Tokyo District Public Prosecutors Office
and the Japan Fair Trade Commission

On December 19, OBAYASHI CORPORATION (hereinafter referred to as the “Corporation”) was involved in a search performed by the Special Investigation Department, Tokyo District Public Prosecutors Office and the Japan Fair Trade Commission due to suspicion of a violation of the Antimonopoly Act in relation to a bid for the Chuo Shinkansen construction project.

This directly follows the involvement, on December 8, 2017, in a search performed by the Special Investigation Department, Tokyo District Public Prosecutors Office, and the resulting situation is truly regrettable. The Corporation will be taking efforts to uncover the facts and ensure even more thorough compliance.

We deeply apologize to our shareholders and other stakeholders for the concern that this matter has caused.
